

Recommendation Report Team Charter Form

Names:

Please discuss these 7 questions/prompts as a group. **Make sure all members have an opportunity to provide input.** After your discussion, designate someone to type your group's responses into this form, type all group member names above, save it, and submit to Canvas. The format for this form isn't important: you may convert it to a google doc if needed, and it may run to two pages, but you must discuss these 7 prompts with everyone before you submit it.

This Team Charter is an agreement between all members of your group. Think hard about how you will work together, and make sure your responses are complete. By submitting the document, you are agreeing to abide by the guidelines, preferences, strategies and rules.
